

NAVIGATE BCPL'S ONLINE PROGRAM CALENDAR

Instructions for Customers

BCPL has implemented a new public online program solution that gives our customers a greater ability to search and interact with our events online.

Links for BCPL activities and programs are included in many places on the BCPL website. All of our public activities are also listed under our "Events" menu. There are two ways of viewing the information in our online calendar. You can toggle back and forth between them.

Using the Calendar View

The screenshot shows the Baltimore County Public Library's online program calendar for January 2014. The calendar is displayed in a grid format with days of the week as columns and weeks as rows. Callout boxes provide instructions on how to use various features:

- Click here to review/cancel current or past program registrations.** (Points to the "Display Personal Schedule" button)
- Click on the "List View" link in order to toggle between calendar and list views.** (Points to the "List View" button)
- Use this button to generate an RSS feed of this display.** (Points to the "RSS" button)
- Use the "Search Slider" to search for particular events or branches.** (Points to the "Search Slider" button)
- Events that require online registration will be underlined in the public online calendar for easy identification. Different event types will show in different colors.** (Points to a callout box showing a list of events: "Baby Story Time" and "Preschool Story Time", where "Baby Story Time" is underlined and pink, and "Preschool Story Time" is purple).
